serial number of the Cellular Telephone of an Authorized User to which Cellular Telephone Service is to be provided. Activation of a Cellular Number by the Company means (a) notifying a Reseller of a ten-digit Cellular Number unique to that number and (b) commencing Cellular Telephone Service to the Cellular Telephone whose serial number and other information was communicated by the Reseller.

- E. The Company, and the partners comprising the Company, may provide Cellular Telephone Services at a retail rate to the general public on its or their own account. Resellers shall not directly or indirectly interfere with the efforts of the Company or its partners to attract their own retail customers and shall not directly or indirectly interfere or attempt to interfere with the relationship between the Company (or its partners) and any of its or their Authorized Users. The Company, and its partners, will not directly or indirectly interfere with the Reseller's efforts to attract its own Authorized Users and shall not directly or indirectly interfere or attempt to interfere with the relationship between the Reseller and any of its Authorized Users.
- F. All billing by the Company is to the Reseller. Billing for access and usage will be made monthly in advance of service. 100 minutes of usage calculated in accordance with

2.5.3 Minimum Charges; Deposits

- A. Each purchase of a block of Cellular Numbers must be accompanied by payment of a non-refundable deposit of \$50.00 for each of the Cellular Numbers in that block. In the case of each such Cellular Number activated within sixty (60) days after the block was made available to the Reseller, such deposit will be applied against the charges incurred by the Authorized User for each such Cellular Number. Such application will be reflected on the Reseller's first bill on which charges for each such Cellular Number appear. If a Cellular Number is not activated within such sixty (60) day period, then such deposit shall be forfeited to the Company.
- B. Each Cellular Number not activated within sixty (60) days after a block of Cellular Numbers is purchased shall begin incurring Cellular Number charges beginning on the 61st day after which the block was purchased, pursuant to paragraph 2.5.4.B for each such number which has not been activated. Thereafter, such charges shall continue until termination of the contract pursuant to which such number was purchased (and shall do so notwithstanding a termination of service pursuant to paragraph 3.6).
